

**PCFHC WITH 100WOMEN & PPD  
COMMUNITY FOUNDATION**

# **WE WANT TO HELP.**

Data has shown that eating disorders & disordered eating behaviours have increased during the COVID-19 pandemic across Ontario, in all ages and genders

---

**Your input is important for creating adequate and appropriate care programs here in Renfrew County. The attached survey will take less than 5 minutes (5 validated questions) and results are completely anonymous. Survey is for all people in Renfrew County, of all ages, all genders, with or without ED behaviours.**
